Equality, Diversity and Inclusion

Mission Statement

To be engaged, you must feel included and valued. Diversity is an integral part of our Club's history, culture, identity and future. Inclusion is the way we treat and perceive all differences. Our Equality, Diversity and Inclusion commitment gives each individual Member, Committee Member and Flag Officer the opportunity to demonstrate their personal dedication to an inclusive culture in an open and meaningful way. At Saltash Sailing Club we are driven by the value of excellence. Excellence means everyone deserves the best experience, regardless of their race, colour, gender identity, religion, national origin, ancestry, physical abilities, age, or sexual orientation. We embrace employees, members and guests from these groups to help make this vision a reality.
